

WELCOME TO WOOL HARVESTING

The key objective

AWI is delivering this training to educate high school students on the shearing and wool harvesting industry. We are designing these one day workshops to highlight:

- Pathway to industry
- Hands on experience
- Big picture of the industry

On the day

- Two experienced AWI trainers
- Sheep handling
- Wool handling
- Crutching
- Hand piece & tools
- Worksheets provided
- Hands on examples

Resources:

Wool Handling Basics
Shearing

**SHEARER &
WOOL HANDLER
TRAINING**
